The Society this year celebrates its Diamond Jubilee, 60 years of caring for children. During this time we have found new adoptive families for over 2000 children. The need is as great as ever and we continue to help to improve the lives of children and families by:

- finding loving and secure adoptive families for those children who can no longer live with their birth families
- supporting adoptive families at any time they seek our help
- providing a Children's Bereavement Service in partnership with MacMillan Cancer Support and Family Care
- providing a Schools Social Work Service
- providing support groups for adopted children and young people
- providing support and counselling to adopted adults and their adoptive and birth families when required
- supporting Catholic families in need in our community

By buying our Christmas cards you can help us to continue our much needed work with children and families. A donation with your order will help us to meet the increasing demands of these vital services.

Thank you for being our voice for children
